EDUCATION

M.H. Saboo Siddik College of Engineering   Mumbai, India
Bachelor of Engineering in Information Technology   ***CGPA: 9.06/10***   *July 2021 – May 2025*

EXPERIENCE

Web Developer (Freelance)   2023 – Present
GeekyTechh   *Mumbai, India*
- Delivered over **30 freelance web projects**, leveraging the **MERN stack** to design and deploy scalable, high-performance websites tailored to client needs.
- Built the **Alvira Bags** eCommerce platform from scratch, applying SEO strategies that led to #1 Google search ranking, a **40% improvement in site speed**, and a **50% increase in sales**.
- Designed and launched the official **GeekyTechh** website, boosting user engagement by **30%** and reducing bounce rate by **20%**, significantly improving retention.

Web Master   2024 – 2025
ACM MHSSCOE   *Mumbai, India*
- Revamped the official **ACM MHSSCOE** website with a modern, responsive UI and improved UX, resulting in a smoother navigation experience.
- Collaborated on the development of the **Webathon** event site by contributing interactive UI elements and custom features, helping drive a **50% increase in user engagement** and contributing to the event's overall success.

PROJECTS

CodeCollab [**Live**] | *React, Node.js, TypeScript, Tailwind CSS*   2024 – 2025
- Developed a real-time collaborative coding platform featuring an integrated code editor, whiteboard, and chat system to facilitate seamless teamwork.
- Implemented multi-user editing with instant synchronization and feedback using WebSockets for a dynamic collaborative experience.
- Integrated OpenAI API for AI-based code assistance and GitHub API for repository management, enhancing developer productivity.

GeekyTechh Website [**Live**] | *Next.js, TypeScript, Tailwind CSS, Framer Motion*   2022 – 2025
- Built and maintained the official website for **GeekyTechh**, resulting in a **30% increase in user engagement** and a **20% reduction in bounce rate**.
- Utilized **Next.js** for server-side rendering and **Framer Motion** for smooth animations, enhancing performance and user experience.
- Designed a responsive, modern UI using **Tailwind CSS** and improved SEO to drive higher traffic and visibility.

Dollar's Portfolio Website [**Live**] | *Next.js, TypeScript, Tailwind CSS*   2023 – 2025
- Designed and deployed a modern personal portfolio to showcase projects and technical skills, improving personal brand visibility.
- Implemented responsive design using **Tailwind CSS** and integrated **Formspree** for client communication, leading to a **35% increase in contact form submissions**.

ACHIEVEMENTS

- Solved over **120 LeetCode problems**, strengthening algorithmic thinking and problem-solving skills.
- Cleared the **Internal Smart India Hackathon (ISIH)** exam in both **2023** and **2024**.
- Advanced to **Round 2 of Semicode** in **2024** and **2025**, demonstrating competitive programming excellence.
